Vision, Mission & Values

Our Vision

"A credible and dynamic central bank contributing to the prosperity of Sri Lanka."

Our vision clearly indicates that the Bank is deeply committed to contributing to the prosperity of Sri Lanka. The term prosperity has a wide con enhancement of the quality of life of people through sustainable wealth creation and inclusion of all segments of the society in enjoying the bedevelopment. The Central Bank would facilitate this process by ensuring economic and price stability and financial system stability while providing prude pro-active policy recommendations, as the Advisor to the Government on Economic Affairs. In doing so, the Bank would act with the highest degree of and professionalism, earning respect for its objectivity and apolitical stance.

Our M

"Maintaining economic and price stability and financial system stability to support sustainable growth through policy stimulus, a commitment and excellence."

Our mission emphasizes the need for the Bank to continuously fulfill its core objectives: economic and price stability (maintenance of a low level of while attaining macroeconomic equilibrium) and financial system stability (maintenance of stability in the financial system as a whole). The accomplish this mission would enable the Bank to create a conducive environment for economic agents to take a long-term view of the economy and make major of relating to resource allocation, production, labour supply, investments, consumption and savings, accordingly. Such a long-term focus is essential for suggrowth and the alleviation of poverty.

The core objectives would be supplemented by appropriate policy recommendations for raising the output of the economy to the long-term potential and levels. The Bank's staff, the key input in its operations, would display the highest level of commitment, dedication and excellence in accomplishing the mit that the Bank would be a model for others to emulate. The staff would also set appropriate benchmarks and service norms, when extending their service stakeholders. The Bank would always strive to upgrade its services, even to standards higher than international best practices.
